

9/11 Interview

Ankur Holz and Jeffrey Tse

We are working on a project about 9/11. We would greatly appreciate it if you could answer the following questions. You could possibly be quoted on our website. Please mark answers that you would like to be kept confidential.

Name: *Galante*

Date: *10/4/12*

1. Where were you on 9/11, and how did you find out about the incident?

I was working for a DoS contractor ~~was~~ running a police chief conf. I saw it live on TV in my office.

2. How did 9/11 affect the way you personally live today?

I lost family and friends both in NY and at the pentagon it ~~really~~ makes me sad to see the aftermath of this

3. Did you support the war in Afghanistan, and in retrospect, how did it affect America as a whole?

I believe we have an international responsibility ^{historical} incident. as a world leader but that responsibility needed to be shared among other leaders as well.

4. Do you believe that 9/11 contributed to a downturn in the economy? If so, how did it personally affect you?

The economic and political monetary cost did contribute to the recession / depression we have experienced. Life is way more expensive and my family has experienced financial issues.

5. Do you know of anyone who was a survivor of 9/11, or was physically involved with the event?

NO

6. How do you feel about the increased security and defense measures that the government has taken? Do you agree or disagree with them?

The US had been too open for too long in regards to our internal security. In this world not everyone values human life the same. So precautions must be accounted for.

Please write any comments about the social, economic, or political impact that you personally think 9/11 had on America:

This new "war on terrorism" has changed lives internationally. It has made everyone reconsider political and economic relationships and has had a very
